"I don't want to have bad blood with anyone, ever, if I can help it," she's said of her famous exes.

Gwyneth KISSES & TELLS

Peeling back the sheets! During an appearance on Alex Cooper's *Call Her Daddy* podcast, Gwyneth Paltrow dished all the dirty deets on her past loves: Brad Pitt, Ben Affleck and Chris Martin. While playing a game called "Brad or Ben," the Goop founder, 50, confessed that ex-fiancé Brad, 59, had better style and was more romantic, but that on-and-off-again beau Ben, 50, made her laugh more. Yet he was also the one she was most likely to get into an argument with. "[He was] more high-maintenance," Gwyneth admitted. Though the actress insisted that Brad and Ben were "both good kissers," she couldn't quite decide who was superior in bed. "That's really hard because Brad was, like, the sort of major chemistry, love-of-your-life, kind of, at the time, and then Ben was, like, technically excellent," she teased. "I can't believe my daughter's listening to this!" Things really got spicy when Alex posed the infamous "f---, marry, kill" question about Brad, Ben and Gwyneth's ex-husband Chris, 46. "Well, obviously, I'd marry Chris because he gave me my two children, who are the loves of my life, so I would do that all again," the mother of Apple, 18, and Moses, 17, said before revealing she'd choose Brad as her romp partner. "And then, Ben, yeah, God bless him." *Ouch!*

tWitch's Widow:
No One Saw His Death Coming

"He wanted to be the strong one for everyone," said Allison, "and I think that was a little scary for him to think that he might need to ask for help."

Gone too soon! In her first televised interview, Allison Holker opened up to *Today*'s Hoda Kotb about losing her beloved husband, Stephen "tWitch" Boss, to suicide. "I still feel like the rest of the world, where I'm still shocked," she said. "No one's ready for that moment, and there's no one that saw this coming. No one — and that breaks my heart, too." On Dec. 13, just three days after they celebrated their ninth wedding anniversary, tWitch, 40, was found dead at LA's Oak Tree Inn from a self-inflicted gunshot wound, leaving behind Allison, 35, and their three kids: Weslie, 14, Maddox, 7, and Zaia, 3. "There's been some really hard conversations. To us, Daddy's in the stars," said the dancer. "I don't really have any other choice but to be strong. All I can do is just try to move forward."

Future's bright!

JESSICA CHASTAIN

After receiving her very first Tony nomination for *A Doll's House*, the actress penned a sweet note to her younger self. "If I could tell that girl who yearly recorded the Tony Awards on her VHS that this would happen, it would have blown my world open," she wrote. "It is a dream come true."

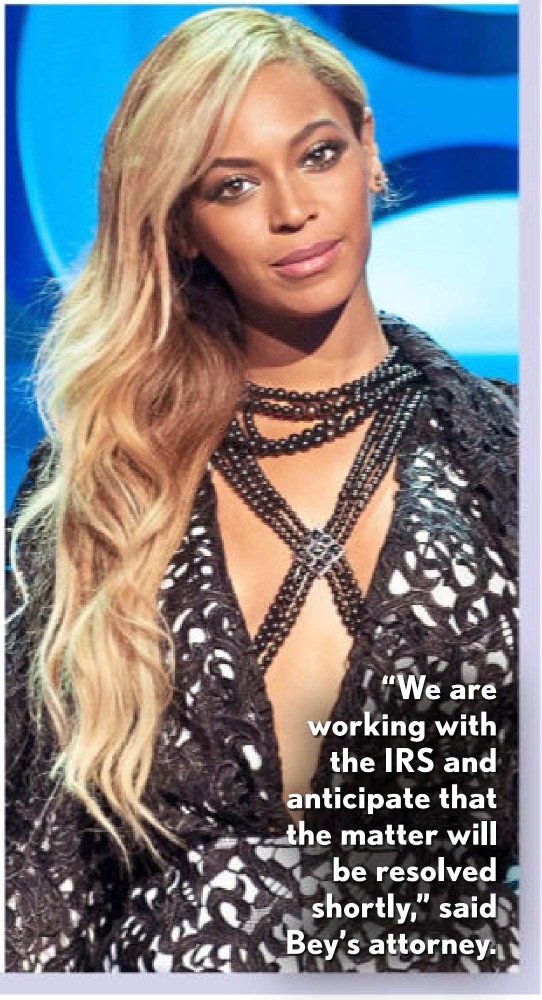
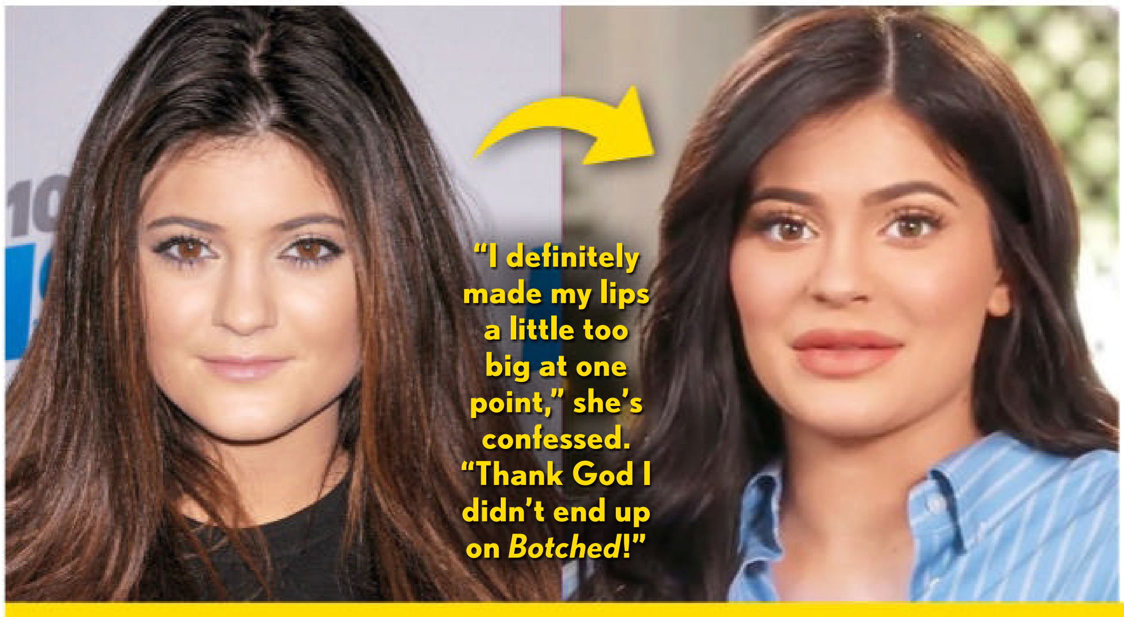
Beyoncé's TAX BILLS, BILLS, BILLS

Beyoncé is getting her legal team in formation after being hit with a massive tax bill. According to the Internal Revenue Service, the 41-year-old singer owes nearly $2.7 million in back taxes and penalties from 2018 to 2019. "Beyoncé is all about paying her fair share of taxes," notes a source. "She's given Uncle Sam a lot of money over the years, but she says they've made a mistake, which is why she's disputing the bill." The Grammy winner, who's reportedly worth $650 million, has filed a petition in United States Tax Court, insisting the $868,000 she donated to charity during that time should count as a deduction. "While it could go to trial, most of these cases are settled before that happens," the source adds. "Beyoncé just wants to be treated fairly. If she owes the money, she'll pay it. It's not like she can't afford to."



"We are working with the IRS and anticipate that the matter will be resolved shortly," said Bey's attorney.



"I definitely made my lips a little too big at one point," she's confessed. "Thank God I didn't end up on *Botched*!"

Kylie's ABOUT FACE

Reality check! On the newest season of *The Kardashians*, Kylie Jenner suggests that she and her sisters need to have a conversation about the beauty standards they're setting not just for their fans, but for their family. "I don't want my daughter [Stormi, 5] to do the things I did," the makeup mogul, 25, explained. "I wish I never touched anything to begin with." Kylie was only 15 years old when she began tinkering with her face — and she's since admitted to going overboard with the lip filler. "Kylie feels like she started too young, and it's something that she really regrets," says a source, noting that becoming a mom changed her perspective. Says a second source: "She wants Stormi to grow up knowing that she's beautiful just the way she is."

Set on a stunning harbor, the hotel is home to 563 guest rooms and suites, each with floor-to-ceiling windows from which to enjoy the ocean views. "I'm very lucky in the support I have from [Kate]," William has said. "She's an amazing mother and a fantastic wife."

"No relationship is perfect, not even William and Kate's," says a source. "But despite all the obstacles, they always pull through."

William & Kate's MARRIAGE MILESTONE

Happy anniversary! Prince William and Princess Kate celebrated 12 years of wedded bliss on April 29, and to mark the special occasion, the royals shared a never-before-seen photo of them riding bikes near their home in Norfolk. They also privately exchanged presents. "It's very unlike Kate and William to boast about gifts," a source tells *Life & Style*. "William did, however, surprise Kate with a family heirloom — a stunning ring that belonged to Princess Diana — and, as a sweet gesture, he gave her a replica of the bouquet she carried on their wedding day." Kate, 41, opted to put her artistic skills to good use, presenting William, 40, with a framed sketch of an old snapshot taken during their years at St. Andrews University. Says the source: "He was blown away by it!" While the couple have had a lot on their plate, between preparing for (and then attending) King Charles III's May 6 coronation and looking after Prince George, 9, Princess Charlotte, 8, and Prince Louis, 5, "they always make sure to squeeze in some alone time together," adds the source. "It's what keeps William and Kate's marriage so strong." L&S

Kevin & Christine IT'S OVER!

No one was more shocked than Kevin Costner when his wife of 18 years, Christine Baumgartner, filed for divorce on May 1. "It is with great sadness that circumstances beyond his control have transpired which have resulted in Mr. Costner having to participate in a dissolution of marriage action," said a rep for the *Yellowstone* star, 68. While Kevin may have been blindsided, a source says the fashion designer, 49 — who shares sons Cayden, 16, and Hayes, 14, and daughter Grace, 12, with the Oscar winner — hasn't been happy in the relationship for a while. "Christine loves Kevin; she always will," notes the source. "But after 20-plus years together as a couple, they wanted different things. They drifted apart."

Betting the ranch! "The buzz going around is that Kevin's workload affected his home life," a source tells *Life & Style.*

Lindsay's BABY JOY

She's here! *Dancing With the Stars* alum Lindsay Arnold and her husband, Samuel Lightner Cusick, welcomed their second child, a baby girl, on May 3. "We are so in love," she wrote alongside the first photo of their bundle of joy, born via C-section. "Mama and baby are healthy and we are soaking up every moment with our little piece of heaven." The Movement Club founder, 29, and the businessman, 30, are already parents to 2-year-old daughter Sage. "My heart literally explodes when I think about seeing [her] with her baby sister for the first time," Lindsay's said.

SECRETS FROM

Rihanna's Diva Entrance

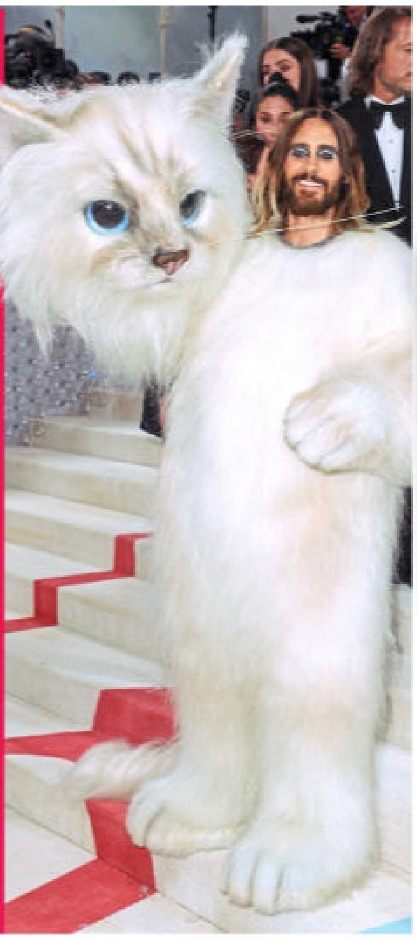
She arrived fashionably late, but some thought the move was out of style. Rihanna, 35, and boyfriend A$AP Rocky, 34, turned up for the party at 10:15 p.m. — nearly 90 minutes after everyone else. "People were annoyed and rolling their eyes," says an insider. Though tardy, the music stars, who wore Valentino and Gucci, were at least pleasant, unlike other famous attendees. "Staffers know how to handle certain prickly VIPs," notes the insider. "Some have admitted, 'We were told not to look them in the eye.'"

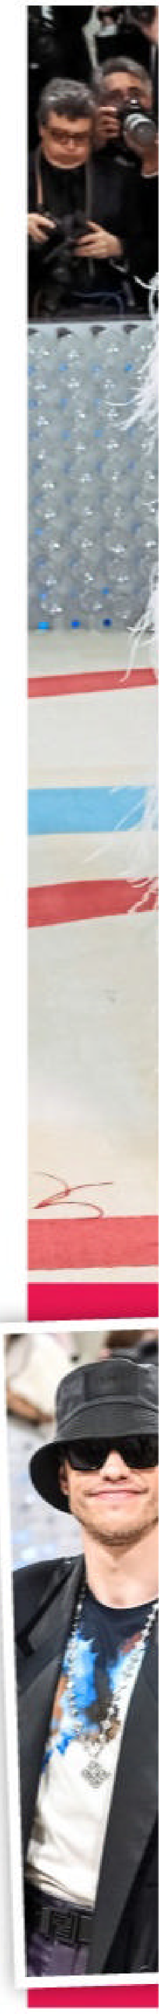
Dueling Bump Debuts!

It was the battle of the baby announcements! Tennis icon Serena Williams, 41, and model Karlie Kloss, 30, both debuted their second pregnancies at the starry event. "But each of them thought they'd be the only one!" says a source. "Both are close with *Vogue* editor [and gala host] Anna Wintour and made her aware of their plans beforehand, but Anna kept each pregnancy a secret. Serena looked the most displeased."

Jared's Catty Demand?

He was hardly the cat's meow. Instead of arriving in couture like everyone else, Jared Leto attended the benefit, which honored Chanel's Karl Lagerfeld, dressed as the late designer's pet feline: Choupette. After Jared, 51, finished walking the red carpet, says an eyewitness, he "had staff usher his cat paws back to his suite at the Mark Hotel."





Find out what *really* happened at the Metropolitan Museum of Art's Costume Institute benefit in NYC on May 1!

THE MET GALA

Gisele: Single & Ready to Mingle!

Tom who? Six months after divorcing NFL star Tom Brady, 45, Gisele Bündchen, 42, hit the Met Gala solo in Chanel. "She was laughing, dancing and smiling the entire night — clearly enjoying the single life," says a source. "Friends joked she should ask Pete Davidson on a date," but after learning that Hollywood's favorite rebound, 29, has a new girlfriend — actress Chase Sui Wonders, 26 — "they were looking for different potential hookups for Gisele." Rumor has it Pete's relationship status didn't stop others from shooting their shot, though!

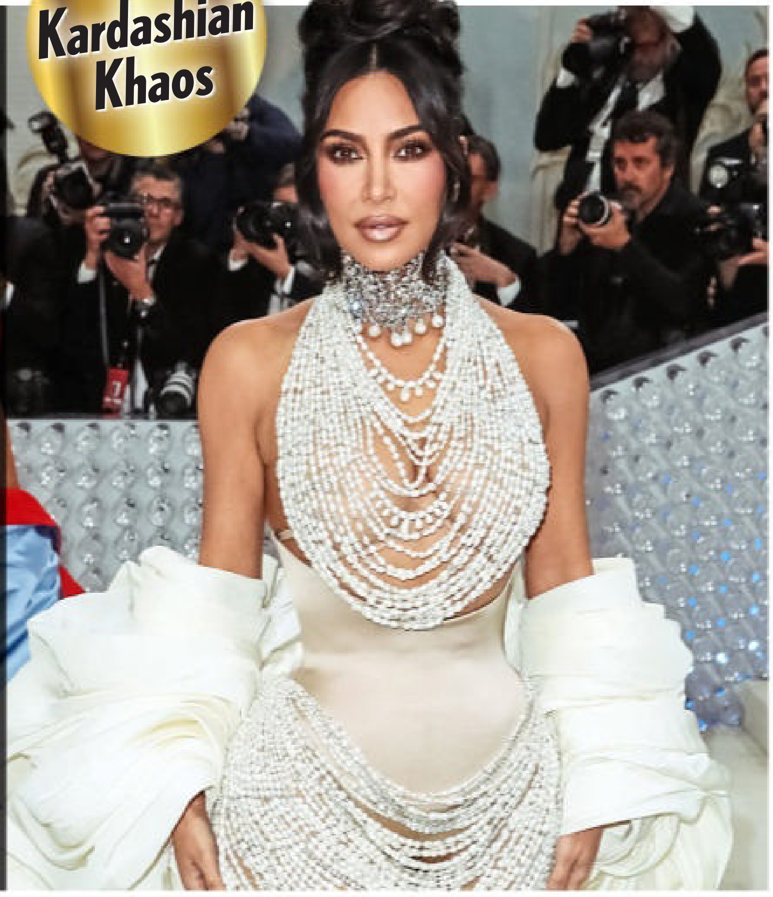
Kylie's Afterparty Fail

Access denied! When Kylie Jenner, 25, tried to get into Doja Cat's afterparty at the Box in NYC, she was embarrassingly turned away. "Her sister Kendall and Bad Bunny walked right in, but Kylie had to wait at the door since it was over capacity by the time she got there," says an eyewitness, confirming the reality star ultimately just left.

Kendall: No Pics With Bad Bunny!

There was no red carpet debut for Kendall Jenner and Bad Bunny at the Met ball. Despite dating since February, the Marc Jacobs-clad model, 27, refused to pose with the Jacquemus-wearing rapper, 29. "Kendall demanded that no one photograph them together," says a source. "She was driving staffers insane!"

Kardashian Khaos



Kim's Wardrobe Malfunction

Is it a couture curse? At last year's fête, Kim Kardashian's Marilyn Monroe dress wouldn't zip up all the way, so she had to wear a shawl to cover her backside. This year, her Schiaparelli look — crafted from more than 50,000 freshwater pearls and 16,000 crystal pearls — broke apart. While pieces popped off throughout the evening, entire strands eventually came undone as Kim, 42, left the gala, spilling pricey pearls all over the street.

GEORGE REQUIRES A PRIVATE BAR

What George Clooney wants, George Clooney gets. One of the years the actor, 62, and wife Amal, 45, attended, the couple "requested and were given a private bar" where they could relax away from other guests, author Amy Odell wrote in her 2022 book *Anna*. The Met museum also styled its bookstore "with upscale rental furniture for Amal," the fashion journalist wrote, "so she had a place to change clothes."

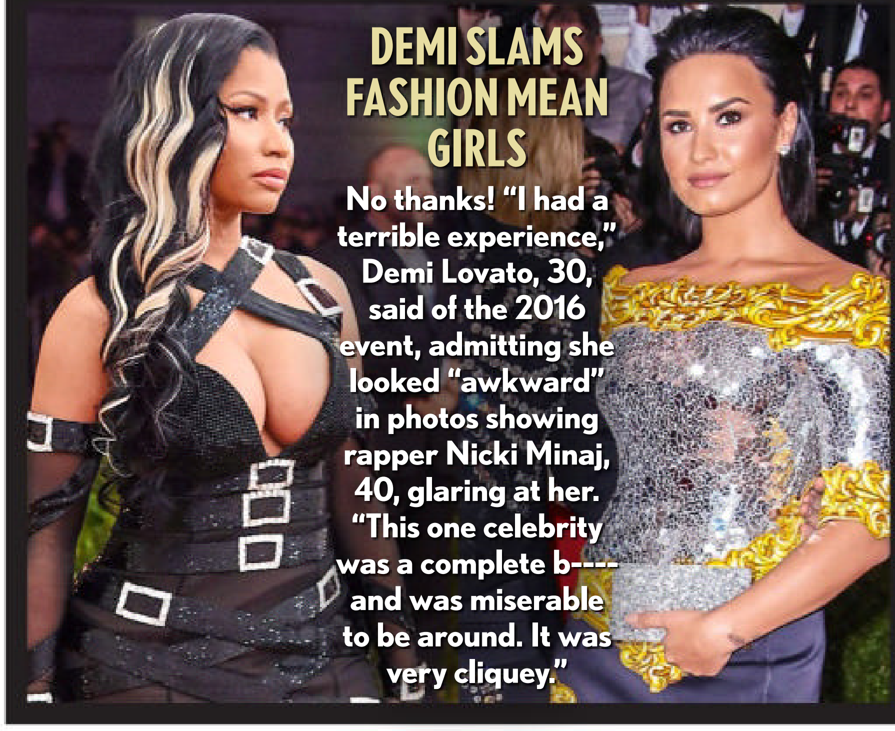
GWYNETH CALLS THE GALA "UN-FUN"

Did she forget what she said? After the 2013 gala, Gwyneth Paltrow declared she was "never going again," insisting "it was so un-fun. It was boiling. It was too crowded. I did not enjoy it at all." But four years later, the actress, 50, was back for the 2017 event — then returned yet again in 2019.



DEMI SLAMS FASHION MEAN GIRLS

No thanks! "I had a terrible experience," Demi Lovato, 30, said of the 2016 event, admitting she looked "awkward" in photos showing rapper Nicki Minaj, 40, glaring at her. "This one celebrity was a complete b---- and was miserable to be around. It was very cliquey."

BAD BATHROOM BEHAVIOR

One way to get crossed off the invite list? Smoking. Bella Hadid, 26, Behati Prinsloo, 34, and Dakota Johnson, 33, are among those who've tried to flout the rule by lighting up in the bathroom, prompting undercover security to be hired. But Miley Cyrus, 30, was once accused of worse: In 2013, eyewitnesses claimed to see her snorting white powder off of a toilet...

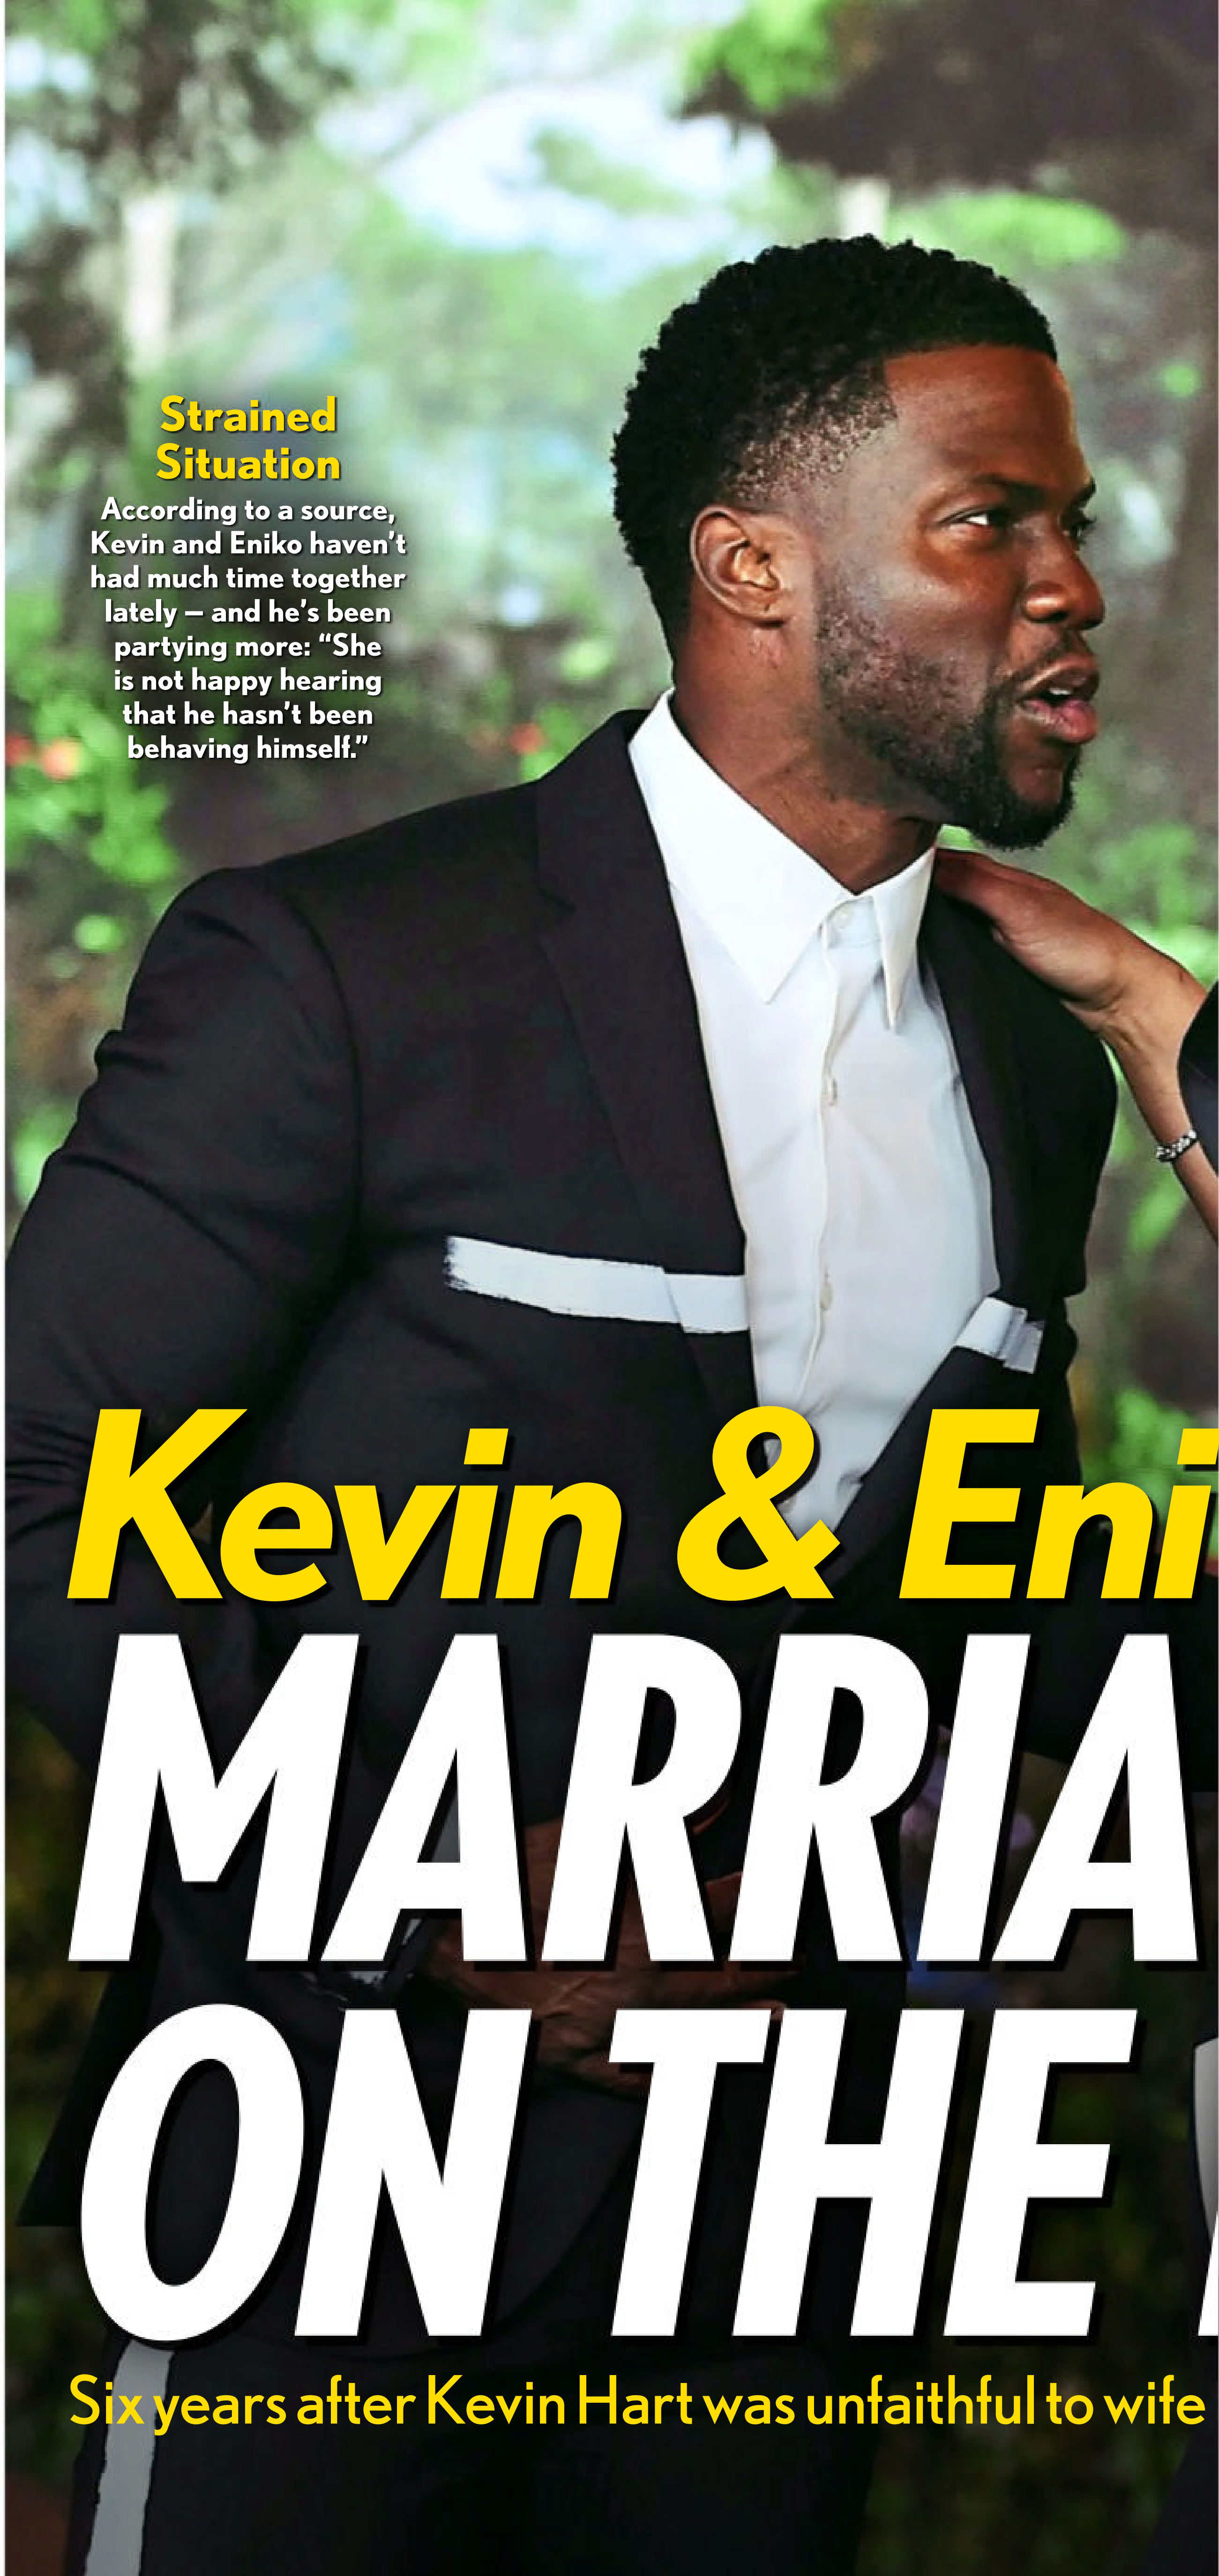
Kevin & Eni
MARRIA
ON THE

Six years after Kevin Hart was unfaithful to wife



Strained Situation
According to a source, Kevin and Eniko haven't had much time together lately — and he's been partying more: "She is not happy hearing that he hasn't been behaving himself."

He might just be the hardest-working man in Hollywood. Kevin Hart's spring and summer comedy tour is packed with shows crisscrossing the country from Connecticut to California. That's on top of having at least five film projects in development or preproduction, operating an LA restaurant and fulfilling a variety of sponsorship deals — and it's no doubt why the star, 43, is one of the world's highest-paid entertainers.

But that life comes with a cost. It means Kevin isn't home with wife Eniko and their two children, Kenzo, 5, and Kaori, 2. "Friends have noticed Kevin and Eniko aren't spending time together, and he is out frequently without her," says a source, noting his absence seemingly isn't just for career reasons. "He has been spotted partying and often out drinking with friends. This is a major red flag because Kevin and Eniko barely made it through his previous cheating scandal."

Indeed, Kevin confessed to sleeping with Montia Sabbag during a wild, booze-filled trip to Las Vegas while Eniko, 38, was expecting their first child back in 2017. "He blamed it on bad decisions, saying he shouldn't have been partying with other women and getting so drunk without his wife," shares the source. "Yet he is kind of going down the same road."

NO THIRD CHANCES

While the *Fatherhood* actor hasn't stepped out publicly with other women, says the source, some of his companions still give Eniko pause. "Kevin has a lot of friends who she is not comfortable with, friends that she feels are a bad influence," explains the source. "And, of course, the nature of his career has him traveling — and with that comes certain temptations."

In 2017, Eniko took Kevin back, but it wasn't without conditions. "She told him she would forgive him but would not forget," reveals the source. "She said she wouldn't

be made to look like a fool and wouldn't be so quick to forgive him if it ever happened again."

That's not an empty threat. The model and influencer, who wed Kevin in 2016, "expects that he will control himself when he is out without her, and his recent behavior has led to screaming matches," says the source. "Friends worry that if Kevin doesn't smarten up, he could lose Eniko."

They've Been Through a Lot

Affair Rumors

TRIBECA FILM FESTIVAL

Eniko claimed in 2017 that Kevin and ex-wife Torrei Hart were separated when she began seeing the actor. However, Torrei, 45, has insisted their romances overlapped: "You, Kevin and I know what happened."

Cheating Scandal

In 2017, Kevin admitted he'd cheated on Eniko with Montia, 32. But the infidelity only came to light after a friend allegedly secretly filmed the two having sex in a hotel room and tried to extort the star.

Crash Recovery

A 2019 car accident left Kevin with serious back injuries. He's said that Eniko, as well as his older kids with Torrei, Heaven, 18, and Hendrix, 15, acted as nurses while he healed.

Home Front

"Eniko doesn't travel with Kevin all the time because it isn't realistic anymore with two kids," says the source.

Letting Loose

The comedian, who launched his own tequila in 2022, has frequently been spotted at nightclubs and strip joints over the years.

Fun in the Sun

Their nups included fireworks, A-listers and three custom Chanel dresses. But the Grainges' Maldives trip was more laid-back, with bike rides and dips in the Indian Ocean!

SOFIA'S Honeymoon Pho

Following a splashy wedding, Sofia Richie and Elliot Grainge relish alone time in paradise!

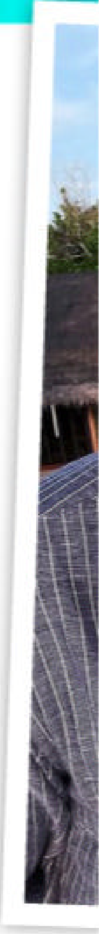
In an April 30 TikTok video, newlywed Sofia Richie shared clips of herself getting ready for a romantic evening with husband Elliot Grainge during their ultra-luxe Maldives honeymoon. "Alright guys, I'm actually going to bring you with me tonight on my little date," the model and influencer, 24, said, posting images of the duo's private oceanfront dinner table surrounded by flowers, as well as their exclusive screening of *Meet the Parents* — shown via a screen set up on the sand. "Best night ever."

While she was willing to take fans along for such picturesque highlights, having time alone with Elliot, 29, was the goal of the pair's roughly five-day getaway to One&Only Reethi Rah — where they reportedly splurged on a $2,000-a-night villa with a private beach and swimming pool. "They picked a place that was peaceful, serene and, most importantly, secluded," an insider tells *Life & Style*. "Sofia and Elliot just wanted to relax. While they had the absolute best time celebrating with friends and family during their lavish wedding in the south of France, it was *a lot* of friends and family. So the honeymoon was just for them."

FUTURE PLANS

Post-trip, Sofia and the music executive had a $27 million mansion in LA to return to. But the couple won't be there for long. "This summer they have a lot of travel coming up; it will be very busy," shares the insider. "Many of Sofia's friends are getting married too, so they're all over the place for those weddings."

During their island escape, however, none of that mattered. "They love being together," says the insider, noting Sofia and Elliot are in no rush to have kids. "For right now, they're just enjoying each other." L&S



Gorgeous Getaway "I'm very excited to just be locked in [a] villa with Elliot doing nothing, having rosé and tanning," Sofia shared.

"This is so beautiful," Sofia gushed of one dinner under the stars with Elliot. "This is magic."

GETTING RE
FOR BABY!

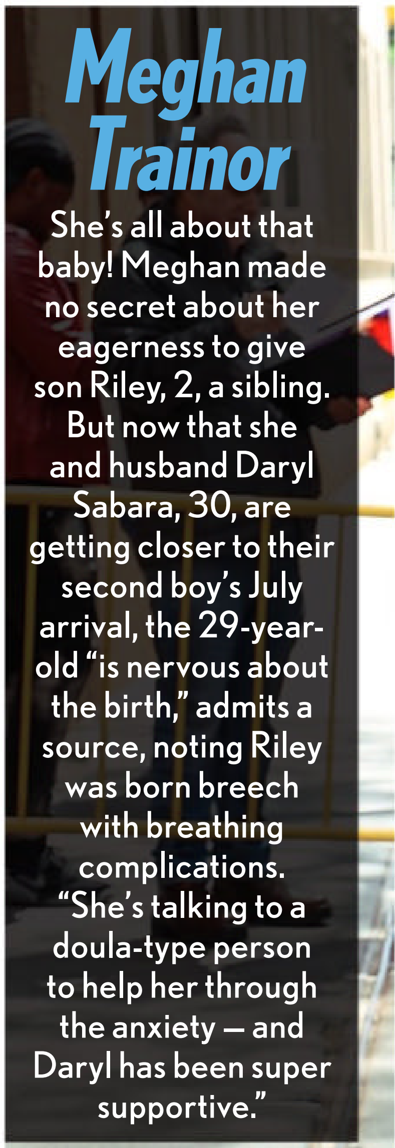
Baby makes 5!

Claire Danes

Before baby No. 3 arrives, Claire, 44, is spending extra time with husband Hugh Dancy and sons Cyrus, 10, and Rowan, 4. “She’s going out of her way to ensure the kids are involved in every aspect of her pregnancy, from picking out toys and clothes to helping with the name,” says an insider. “So far, Elijah and Noah are top choices for a boy, and Luna and Ava for a girl.” Amid the family bonding, Hugh, 47, is also plotting a couple’s adventure, adds the source: “He’s organizing a romantic babymoon for just the two of them!”

Sarah Snook

Despite lots of initial morning sickness, says a source, the *Succession* star, 35, is now feeling great as she and comedian hubby Dave Lawson, 44, prep for their first child: “They are completely in sync, attending all the doctor’s appointments and prenatal classes together.” When it comes to their little one’s nursery, the duo opted for a white crib and “cute bears on the wall that Dave painted himself,” shares the source. “He and Sarah are waiting until the baby’s mid-May delivery to find out the sex, but they have a feeling it’s a boy!”



Meghan Trainor

She’s all about that baby! Meghan made no secret about her eagerness to give son Riley, 2, a sibling. But now that she and husband Daryl Sabara, 30, are getting closer to their second boy’s July arrival, the 29-year-old “is nervous about the birth,” admits a source, noting Riley was born breech with breathing complications. “She’s talking to a doula-type person to help her through the anxiety — and Daryl has been super supportive.”

ADY

With their due dates fast approaching, these celebrities are preparing for their new bundles of joy in different ways

A little bro for Riley!

Lindsay Lohan

Former party girl Lindsay and husband Bader Shammas are ready for their next chapter. "Lindsay is actually remarkably calm about becoming a mom," says a source, adding that the financier's been treating his wife to prenatal massages. "She's a complete natural with babies." If the 36-year-old needs backup? "She is super close to Amanda Seyfried," shares the source about the mother of two. "Amanda is even on Lindsay's list of potential godparents."

WERE HAVING A BABY!

Maria Menounos

It's finally happening! Following a decade-long fertility journey, Maria, 44, and husband Keven Undergaro, 55, will welcome their first child this summer via surrogate. "They're calling their daughter a miracle baby," says an insider, "and are planning to name her after Maria's late mother, Litsa — either as a first or middle name." For now, the TV personality and podcaster is loading up on new mom advice. "Cindy Crawford has taken Maria under her wing," shares the insider, "and is offering lots of recommendations and parenting tips."

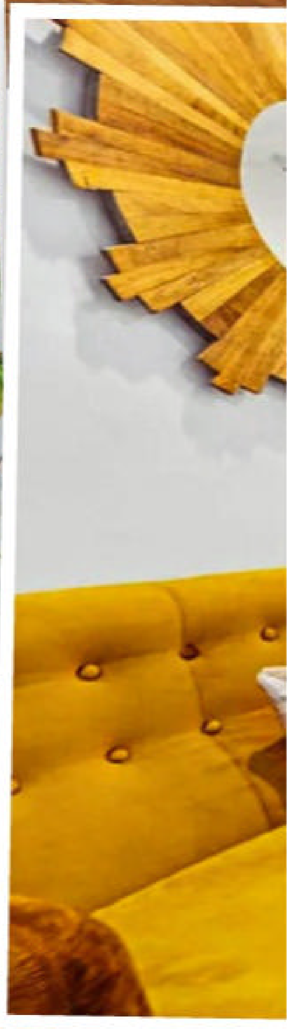
Entertaining Options

He's been spotted out partying alongside celebrities such as Paris Hilton and Billie Eilish, but now this famous offspring can play host himself. Aside from 3,000 square feet of living space, his Cali dream house boasts a lovely outdoor area with a swimming pool and gardens.



He's Got Good Genes

Modeling runs in the family for this 23-year-old! While his mom is an '80s and '90s icon who still gets paid to pose today, Dad also spent time mugging for the cameras before transitioning to the hospitality and booze business. And his little sis? She landed her first campaign at age 10.

Stylish Space

Built in 1955, and updated with fab features including glass sliding doors and granite countertops, this mid-century modern abode in LA is the buyer's first home. Though filling it with furniture could've been daunting, his mother does have her own eponymous line of couches, dining tables, bedroom sets and more...

Clue #1

After making his runway debut in a Moschino show at age 16, this blonde has worked with labels like Calvin Klein, Topman and Celine – fronting ads for the latter's Eau de Californie fragrance.

Clue #2

In 1992, his hot mama starred in a famous Pepsi Super Bowl ad, and this good-looking guy went on to film spots for the soft drink label alongside her in 2002 and 2018. "Her commercial from back in the day is so iconic," he's gushed.

SACRED STONE OF THE SOUTHWEST IS ON THE BRINK OF EXTINCTION

Centuries ago, Persians, Tibetans and Mayans considered turquoise a gemstone of the heavens, believing the striking blue stones were sacred pieces of sky. Today, the rarest and most valuable turquoise is found in the American Southwest— but the future of the blue beauty is unclear.

On a recent trip to Tucson, we spoke with fourth generation turquoise traders who explained that less than five percent of turquoise mined worldwide can be set into jewelry and only about twenty mines in the Southwest supply gem-quality turquoise. Once a thriving industry, many Southwest mines have run dry and are now closed.

We found a limited supply of turquoise from Arizona and purchased it for our ***Sedona Turquoise Collection***. Inspired by the work of those ancient craftsmen and designed to showcase the exceptional blue stone, each stabilized vibrant cabochon features a unique, one-of-a-kind matrix surrounded in Bali metalwork. You could drop over $1,200 on a turquoise pendant, or you could secure 26 carats of genuine Arizona turquoise for **just $99**.

Your satisfaction is 100% guaranteed. If you aren't completely happy with your purchase, send it back within 30 days for a complete refund of the item price.

The supply of Arizona turquoise is limited, don't miss your chance to own the Southwest's brilliant blue treasure. Call today!

MORE ALIENS AND A UFO DISPLAY TO COME!

These aliens are 4" tall. These are not toys, but fine collectibles not intended for children under 14.

The galaxy's cutest babies...in the palm of your hand

Everyone has heard of UFOs or Unidentified Flying Objects. But how about UCOs... Unbelievably Cute Objects! They've been hidden from humans for centuries until now, thanks to the magic of Ashton-Drake doll artists!

"Zoe" is first in our *Out-of-This-World Alien Babies Collection.* Like all the aliens in the series, she features hand-painted details and is an itsy-bitsy 4 inches long so she can easily be cradled in your hand. Each alien is fully crafted of *TrueTouch*® authentic silicone —"Zoe's" is glittery while others will change color or glow in the dark! — so the skin is soft and "gives" under your touch. They arrive with pacifiers that can be removed, shimmering cosmic swaddling blankets, and cloth diapers to make your heart soar! Also, if you subscribe now, your fourth issue will be a cushioned UFO display—complete with lights and unearthly music—to showcase them all.

Bring them home today!

Your first issue will be "Zoe" for only $49.99*, payable in two easy installments of $24.99 each. After that, each issue in this series (including the UFO display) will ship one at a time after the previous is paid in full, and you may cancel any time. Subscribe to this unique series now!
